Cemetery Regulations amendment

THE REMOVAL OF SOLAR LIGHTS

Following a meeting of the Council Amenities Committee on the 28th April 2021, it has been agreed that in order to preserve the dignity of the Cemetery and respect for other families, the use of solar lights within the Cemetery Grounds is to be prohibited.

Whilst we fully appreciate the need to pay tribute to loved ones and family members, the impact on the overall environment and the effect on other visitors must be considered.

All solar lighting should be removed from Grave spaces and Memorials by Monday 14th June 2021.

Any such items remaining after this date will be removed and stored for a period of two months, after which they will be disposed of.

We thank you for your co-operation and apologise for any distress or inconvenience caused.

Yours sincerely

Christine Allison
Deputy Town Clerk
