CRIME AND DISORDER POLICY

1. Introduction

This policy sets out the Councils position with regards to requirements to consider crime and disorder issues in decision making. It is intended that all members and staff consider the requirements when undertaking actions or decisions on behalf of St Ives Town Council.

2. Crime and Disorder

Section 17 of the Crime and Disorder Act 1998 requires that St Ives Town Council considers the impact of its functions and decisions on crime and disorder in the area. It does this through working in partnership with the police and other local authorities both directly and indirectly to improve community safety in and around St Ives.

The Town Council seeks to represent the views of its community and ensure that local crime reduction strategies represent those views.

St Ives Town Council community safety related activities include:

- Supporting the provision of CCTV within the Town;
- Receiving Police report at Full Council meeting when provided to help identify when and where the Town Council can add value;
- Asking the Police to report to the Annual Town Meeting;
- Liaising with the police and other partners around events and activities taking place in the town.
